THE BEST IN SPA SKINCARE FROM SOUTHERN CALIFORNIA TO NORTHERN CALIFORNIA

SKIN CARE MAY 17, 2013 BY: ANITA RIVAS

LaBelle Day Spa, the best day spa on this side of the West Coast and recently Bella Schneider launched her skincare collection that is guaranteed to leave your skin breathless, because what Bella knows will make you beautiful.

Bella Schneider Beauty is formulated with the finest ingredients including high quality botanicals and cutting-edge technology, BSB Culmine took 30 years in the making, attention to detail was given so that your skin receives the benefits of the superior anti-aging properties.

My go-to products are the Mini Peel Pads that remind me of Bella's signature facial. Dead skin cells and excess oil are exfoliated and skin is retexturized, smoother as the age renewal process begins.

My other favorite is the Cleansing Mousse for troubled skin. Personally I suffer from adult acne and using a purification cleanser aids in quest for healthier skin.

In case I forgot to mention, at LaBelle you will run into Political Heads of State, CEO's & CFO's of Fortune 500 Companies mixed with Socialites and everyone in-between.

Oh and don't be surprised if you happen to run into Condoleezza Rice in the lounge – or other well-known names.

LaBelle Day Spa is San Francisco's destination for gorgeous skin.
